

Colonoscopy Instructions 2-day prep

Please remember to read through all the pre-operative colonoscopy instructions. As it is pertinent to your upcoming procedure. If you do not follow the instructions, it could lead to your procedure being cancelled or rescheduled.

The following medications are used to prep for your procedure. Often, they are over the counter and can be purchased at your local pharmacy. Regardless, our office will send a prescription to your pharmacy on file electronically. Always call the pharmacy prior to going to ensure that they have received your prescription.

Medications

You need purchase any of the items over the counter. Here is a list of what you would need to purchase.

- Dulcolax Laxative Pills (3 pills)
- MiraLAX (238 gram) (1 Bottle)

Preparing for your Colonoscopy-7 Days Prior

- Patient's taking blood thinning medication such as Coumadin, Warfarin, Plavix, Xarelto, Eliquis, etc, please obtain clearance from your prescribing physician when to stop and restart the medications. Some of the medications listed will require you to stop 3-5 days prior. Please call the prescribing providers office to obtain clarification on when it is safe to stop and restart.
- Stop all anti-inflammatory medications such as aspirin, ibuprofen, Advil, and Aleve. Fish Oil should also be discontinued. If you need anything 7 days prior, TYLENOL only.

Preparing for your Colonoscopy-2 Days Prior

- Clear liquid diet ONLY.
- Any time between 5pm-8pm consume 1/2 cup of MiraLAX and 32 oz of water. Shake well and drink within 1/2 hour.

Day of Your Procedure

You will need a driver to and from your procedure. The driver will not be allowed to enter the facility with you but can drop you off. Please inform the driver to stay within 30 minutes of the facility. Once you are starting the discharge process a nurse will contact your driver to come pick you up by phone.

- Leave all valuables at home.

- Go in comfortable clothing.
- Call our office to schedule a 2 week follow up.

Things to keep in mind...

- **CHECK IN TIMES**-Check in times are always tentative and subject to change. The schedule is always updating. The check in time given to you at the time of schedule could fluctuate significantly between now and your procedure date. Usually, the hospital or facility to where you are schedule will contact you a few days prior. Go with the time they give to you, the hospital/facility time trumps what we have discussed as they have the most up to date schedules and times. Our office will also call one day before to reconfirm with you.
- **BENEFITS/COVERAGE**-Our office will always contact your insurance plan to get a quote of benefits. If you are subject to a deductible or out of pocket our office will contact, you via telephone or email to discuss what your charges will be for our provider(s). We do not give quotes for the facility/hospital charges. We will collect on any charges at the latest 2 days prior to your procedure date.
- **NO SHOWS**-If you no show to your surgery you will be subject to a **\$100 dollar no show fee**. You will not be rescheduled. The provider will need to see you in the office before another date is set. The fee must also be paid in full.
- **RESCHEDULING**-We understand life happens but rescheduling a surgical procedure can be difficult as there are many moving pieces. Please be mindful of rescheduling your procedure, to avoid any charges you should reach out to your scheduler within 48 hours of your procedure to reschedule, otherwise you could be subject to a **\$50-dollar rescheduling fee**.
- **FMLA/Short Term Paperwork**-Our office charges a \$75.00 fee for any paperwork. This fee can be paid at the time of your surgery being scheduled, or upon completion our office will contact you for payment. Please allow our office 7 business days to process paperwork.
